Payment Policy

Effective date: January 1, 2026.

Accepted payment methods

We accept credit cards, debit cards and digital wallets. You pay through a secure payment link; BuyWise and the shopping assistant never see or store your full card details.

Payment links

- A payment link expires 30 minutes after it is created.
- If your link expires, ask the assistant or our staff for a new link. Your cart is kept.
- Never share a payment link with anyone else.

When you are charged

Your payment is authorized when you place the order and charged when the order ships or when you pick it up. If an order is cancelled before it ships or is picked up, the authorization is released.

Sales tax

Sales tax is calculated from the delivery address. For in-store pickup, the sales tax of the store's state and city applies instead.

Not offered

- Financing or installment plans
- Gift cards
- Splitting one order across several payment methods
