Pricing Policy

Effective date: January 1, 2026.

Prices may change at any time. The price shown when you place your order is the price you pay; later price changes, up or down, do not affect orders already placed.

We do not offer price matching with other retailers.

Current prices are always shown on the product page and by the assistant, which reads them live from our catalog. Prices printed in old emails, notices or help articles may be out of date.
