Warranty Policy

Effective date: January 1, 2026. Every product sold by BuyWise comes with the manufacturer's 1-year limited warranty, starting on the date of delivery or pickup.

What is covered

Covered	Not covered
Defects in materials and workmanship	Accidental damage, such as drops and cracked screens
Battery that fails under normal use	Liquid damage
Faulty buttons, ports and speakers	Cosmetic wear, scratches and dents
Included accessories with defects	Damage from unauthorized repairs or modifications

How to make a warranty claim

1. Contact BuyWise staff through the assistant (ask for a person) or in a store.
2. Have your order number and the product's serial number ready.
3. Staff check the warranty dates and help you start the claim with the manufacturer.

The shopping assistant can explain what the warranty covers, but it cannot start or process a warranty claim. It will connect you with our staff instead.

Your consumer rights

This warranty is in addition to any rights you have under the consumer protection laws of your state.
